

## **NAAR Autism Genome Project: Research Consortiums**

*At the core of the NAAR Autism Genome Project are the investigators bringing it to life – a consortium of academic collaborators that have formed an unprecedented partnership. This “collaboration of collaborations” is the largest consortium ever assembled to focus on the genetics of autism and is composed of the following research consortiums and resources.*

---

### **Autism Genetics Cooperative (AGC)**

- Boston University (Boston, MA)
- Duke University Medical Center (Durham, NC)
- University of North Carolina (Chapel Hill, NC)
- University of South Carolina (Columbia, SC)
- University of Iowa (Iowa City, IA)
- Stanford University (Palo Alto, CA)
- Mt. Sinai Medical Center (New York, NY)
- Vanderbilt University (Nashville, TN)
- INSERM U513 (Creteil Sarril, France)
- Institut Pasteur (Paris, France)
- Hebrew University (Jerusalem, Israel)
- Göteborg University (Göteborg, Sweden)
- McMaster University (Hamilton, Ontario, Canada)
- University of Toronto (Toronto, Ontario, Canada)
- Trinity College of Dublin (Dublin, Ireland)
- University College of Dublin (Dublin, Ireland)

### **The International Molecular Genetic Study of Autism Consortium (IMGSAC)**

- Institute of Psychiatry (London, England)
- Wellcome Trust Centre for Human Genetics (Oxford, England)
- University of Oxford (Oxford, England)
- Newcomen Centre at Guy's Hospital (London England)
- Academic Dept of Child & Adolescent Psychiatry (Newcastle Upon Tyne, England)
- University of Manchester (Manchester, England)
- Porton Down, ECACC (Wiltshire, England)
- Videnscenter og Centre for Autisme/Center for Autism (Virum, Denmark)
- Centre d'Etudes et de Recherches en Psychopathologie (CERPP) (Toulouse Cedex, France)
- Deutsches Krebsforschungszentrum (Heidelberg, Germany)
- J. W. Goethe Universität (Frankfurt, Germany)
- "Aghia Sophia" Children's Hospital/University Department of Child Psychiatry (Athens, Greece)
- University of Bologna (Bologna, Italy)
- AZU - Department of Child and Adolescent Psychiatry (Utrecht, The Netherlands)
- McGill University/Montreal Children's Hospital, (Montreal, Quebec, Canada) –
- University of Michigan (Ann Arbor, MI, USA)

- University of Chicago (Chicago, IL, USA)
- Yale University (New Haven, CT, USA)
- 

#### **The Collaborative Programs of Excellence (CPEA)**

- Boston University (Boston, MA)
- University of California at Los Angeles (Los Angeles, CA)
- University of Rochester Medical Center (Rochester, NY)
- University of Pittsburgh (Pittsburgh, PA)
- University of California at Irvine (Irvine, CA)
- Yale University (New Haven, CT)
- University of Washington (Seattle, WA)
- University of Utah (Salt Lake City, UT)

#### **Autism Genetics Resource Exchange (AGRE)**

- Based in Los Angeles, CA, this gene bank is the first of its kind dedicated exclusively to autism.

###
