Tear off some kindness and pass it on!

Autism Speaks is turning 15, and our birthday wish is to make this the “Year of Kindness,” with a bold goal to achieve one million acts of kindness, big and small, by the end of 2020.

We believe that celebrating and encouraging acts of kindness will directly advance our mission by creating a more inclusive, understanding and accepting world for people with autism. We hope you will join us.

Be kind. #kindnesscounts
