**Our vision**
A world where all people with autism can reach their full potential.

**Our impact**
Autism Speaks is enhancing lives today and accelerating a spectrum of solutions for tomorrow.

**Our mission**
Autism Speaks is dedicated to promoting solutions, across the spectrum and throughout the life span, for the needs of people with autism and their families. We do this through advocacy and support; increasing understanding and acceptance of people with autism and advancing research into causes and better interventions for autism spectrum disorder and related conditions.

Through partnerships and collaboration, we are:

**Increasing global understanding and acceptance**
- Shine a light on autism through annual World Autism Month initiative to create a kinder, more inclusive world
- Collaborate with the Ad Council on public service campaigns which have increased autism awareness by more than 50%
- Share thousands of stories across the spectrum and throughout the life span each year on social media

**Being a catalyst for research breakthroughs**
- Help lead the genomic discovery about biology of autisms
- Provide oversight of leading academic and medical centers and support of early career scientists
- Advocate for increased federal funding of autism research

**Increasing early childhood screening and timely intervention**
- Address the needs of underserved populations worldwide through Global Autism Public Health initiatives
- Spearhead efforts to reduce the average age of diagnosis
- Align with families, professionals, governments and advocacy groups in 70 countries to enable delivery of care

**Improving the transition to adulthood**
- Promote legislative policy supporting transition
- Advocate for tax-preferred savings for disability-related expenses, including autism
- Provide online resources enhancing adult life including education, employment, and community living

**Ensuring access to reliable information and services throughout the life span**
- Offer one-on-one support for people with autism and their families through the Autism Speaks Autism Response Team
- Provide funding for programs and services
- Enable access to vital information and resources from diagnosis through adulthood
