

Enhancing lives today and accelerating a spectrum of solutions for tomorrow.

Discover the latest innovations in science, research and technology related to causes and better interventions for autism spectrum disorder.

Autism Research Series: Discovery to Solutions

SEPTEMBER 9, 2017

11:00 AM - 1:00 PM

**GE Healthcare
Research Park**

9900 West Innovation Dr.
Wauwatosa, WI 53226

Please join us for a community science event hosted by Autism Speaks Chief Science Officer Thomas Frazier, Ph.D. We will explore the latest advances in autism research to support people with autism and their families.

Who should attend: Open to all, including people with autism and their families, researchers, educators, clinicians, policy makers, and members of the local community.

There is no fee to attend, but registration is required.

RSVP now at ACT.AutismSpeaks.org/AutismResearchSeriesWisconsin
